

Position Title	Welder
Category	Production
Job#	2016008
Company	Fab-Tech, Inc.
Location	Vermont
Date Posted	03/04/2016
Type	Full time

SUMMARY: The primary responsibilities of this position include performing GMAW (MIG), GTAW (TIG), SMAW, and PAC welding in a manner that ensures the production of our high quality line of PSP® products.

RESPONSIBILITIES:

- Set up the work area, select and verify the material for production, and meet the daily welding production and quality demands.
- Weld the following in different positions and on different gauges: black iron, stainless steel, galvanized, and aluminum.
- Troubleshoot the welding equipment.
- Comply with health, safety, (including OSHA), and environmental procedures, and ensure the cleanliness of the area.

SKILLS:

- GMAW, GTAW welding skills and a knowledge of how all the equipment operates.
- Can speak and understand basic English with an emphasis on complying with: directions, fundamental shop safety procedures, and production standards.
- Extensive layout skills
- Able to read and understand cut sheets and blueprints thoroughly.
- Knowledge of basic weld symbols
- Knowledge of basic metallurgy
- Good communication and teamwork skills
- Math skills to include basic arithmetic and geometry
- Toolbox with all the required tools of a welder
- Can accurately read a tape measure to 1/16"
