

Position Title	2 nd shift Blaster
Category	Manufacturing
Job#	2019006
Company	Fab-Tech, Inc
Location	Colchester, VT
Date Posted	02/22/2019
Type	Full time

Critical Process Systems Group (CPS) is a group of manufacturing and design companies providing innovative product solutions to the semiconductor, life science, chemical processing, gas systems, wastewater, mining, power generation and other industries. We provide a broad range of products & services including liquid, chemical, and gas storage, blending, and delivery control, pre-fabricated high purity process utility modules, corrosive fume exhaust duct, and airflow control devices. With the breadth of our product offerings and engineering capabilities we can offer broad turnkey solutions or targeted niche products depending on our customer's needs and desires.

This position is with our company **Fab-Tech**, which manufactures PermaShield Pipe (PSP®), a revolutionary hybrid fluoropolymer coated stainless steel duct system recognized worldwide as the premier solution for corrosive and hazardous fume exhaust needs. PermaShield Pipe is a fully engineered, modular fume exhaust system that combines the reliability of stainless steel with the superior corrosion resistance of Fab-Tech's proprietary PermaShield Fluoropolymer Barrier Coating. PSP carries a highly regarded FM4922 approval as well.

SUMMARY: The primary responsibilities of this position include product handling, operation of blasting equipment & performing quality inspections.

RESPONSIBILITIES:

- Operation of both sandblasting cabinet & large blast booth equipment
- Daily duties include product handling, lifting, prepping/masking of product
- Must feel comfortable with operation of lifting devices (hoist) while handling larger product
- Individual will also be responsible for performing Quality Control inspections on product entering & exiting department; ensuring product meets specification

SKILLS:

- Ability to stand on feet for up to 10 hrs. daily
- Ability to comfortably work in a fast paced work environment
- May be required to work in other departments if needed
- Passing a PFT exam, if wearing supplied air system (large blast booth)
- Entry-level position with training provided. No education or experience required
- Independent
- Dependable; determined, positive in demeanor
- Attention to detail
- Team player
- Good attitude
- Frequent standing, bending at waist, and use of hands is required
- Specific vision abilities required to include close vision, and ability to adjust focus
- Occasionally perform physical activities including lifting (up to 50 lbs. unassisted)

EDUCATION: no requirements.

BENEFITS:

Critical Process System Group offers competitive compensation and a complete benefits package that includes medical (individual and family premiums shared between employer and employee), dental and vision coverage, HSA, Day Care reimbursement, matching 401(k), life insurance, disability, holiday and paid time off.

If you are looking for a future with a company known for its inventiveness and passion for progress, look no further..... **your career is right here!**
