

<b>Position Title</b>	<b>Fabricators – 2nd shift</b>
<b>Category</b>	Production
<b>Job#</b>	2019017
<b>Company</b>	Fab-Tech Inc.
<b>Location</b>	Colchester, VT
<b>Date Posted</b>	4/11/19
<b>Type</b>	<b>Full-time</b>

**Critical Process Systems Group (CPS)** is a group of manufacturing and design companies providing innovative product solutions to the semiconductor, life science, chemical processing, gas systems, wastewater, mining, power generation and other industries. We provide a broad range of products & services including liquid, chemical, and gas storage, blending, and delivery control, pre-fabricated high purity process utility modules, corrosive fume exhaust duct, and airflow control devices. With the breadth of our product offerings and engineering capabilities we can offer broad turnkey solutions or targeted niche products depending on our customer's needs and desires.

This position is with our company **Fab-Tech**, which manufactures PermaShield Pipe (PSP®), a revolutionary hybrid fluoropolymer coated stainless steel duct system recognized worldwide as the premier solution for corrosive and hazardous fume exhaust needs. PermaShield Pipe is a fully engineered, modular fume exhaust system that combines the reliability of stainless steel with the superior corrosion resistance of Fab-Tech's proprietary PermaShield Fluoropolymer Barrier Coating. PSP carries a highly regarded FM4922 approval as well.

**SUMMARY:**

An entry-level position in a production environment with no prior experience required. In this area you'll form sheet metal into cylindrical and conical products, prep and fabricate stainless steel pipe and fittings for welding. Shift hours: 3:30pm-2:00am (second shift pay differential is provided).

**RESPONSIBILITIES:**

Under close supervision you'll be introduced to a series of duties and responsibilities with increasing complexity to include, but are not limited to the following:

- Set up work area, select and verify the materials for production, and meet daily production and quality demands in such specific areas as: grinding, rolling, seam welding, flanging, tagging, shearing.
- Comply with health, safety (including OSHA), and environmental procedures, and ensures the cleanliness of the area.
- Work in a team environment.
- Continue to learn and expand one's own capacity within this job by increasing knowledge and skill base.
- Perform various other assignments per lead person or supervisor direction.

**SKILLS:**

- Strong mechanical ability
- Knowledge of sheet metal layout (proper fittings), surface grinding and metallurgy.
- Forklift experience.

- Demonstrated commitment to quality and safety
- Positive attitude and team-oriented
- Willingness to learn the more complex aspects of the equipment operation involved within the round area and shear area.
- Willingness to work in other areas as needed
- History of dependability
- Ability to thrive in a fast-paced environment with shifting priorities.
- Ability to read and understand work instructions, technical documents (cut sheets), safety policies, company policies and procedures. Ability to complete written documentation.
- Ability to effectively communicate with co-workers and superiors.
- Ability to apply basic math skills including adding and subtracting whole numbers and fractions.
- Ability to accurately read a tape measure to 1/32"
- Frequent standing, sitting, and use of hands in this support role is required
- Specific vision abilities required to include close vision, and ability to adjust focus
- Occasionally perform physical activities including lifting (up to 50 lbs. unassisted)

**EDUCATION:** High school diploma or GED required.

**BENEFITS:**

**Critical Process System Group** offers competitive compensation and a complete benefits package that includes medical (individual and family premiums shared between employer and employee), dental and vision coverage, HSA, Day Care reimbursement, matching 401(k), life insurance, disability, holiday and paid time off.

If you are looking for a future with a company known for its inventiveness and passion for progress, look no further..... **your career is right here!**
